Re. *Norman v. 2308 Associates LLC, et al.* 22cv3171 (AS)(RWL)

Dear Magistrate Judge Lehrburger:

As counsel for the plaintiff, I hereby submit this letter motion to compel Defendant 2308 Associates LLC to respond to Plaintiff's First Set of Interrogatories and Request for Production of Documents, and to appear at a duly noticed deposition. In accordance with Local Civil Rule 37.3, the Plaintiff has diligently undertaken numerous good-faith attempts to amicably settle this discovery dispute before seeking court intervention via emails and a telephone conference.

Respectfully Submitted,

/s/ James E. Bahamonde

cc:
Harold H. Weisberg, Esq.

Plaintiff's letter is hardly detailed enough to provide a basis for relief. It does not indicate when discovery requests were served or when responses were due. It does not indicate whether Defendant has failed to respond at all, refused to comply at all, or whether there is some other issue. The request is therefore denied without prejudice to making a well-supported application.

SO ORDERED:

HON. ROBERT W. LEHRBURGER
